4. Consent to Amended Plan. Contingent on approval of the 9019 Motion by the Bankruptcy Court, Lender consents to confirmation of an Amended Plan that provides Lender treatment consistent with this Agreement.

5. Settlement of Claim and Treatment of Amount as Principal. Upon approval of this Agreement by the Bankruptcy Court, the amount owed to Lender on account of the Loan Documents is \$8,880,413.00 (the “Debt Amount”). The Debt Amount shall be treated as though it was the principal amount owed on the Note. This amount may be paid in any manner consistent with this Agreement, or from any other source not inconsistent with this Agreement.

6. Payment of Debt Amount. The first payment pursuant to this Agreement shall be due ten (10) days after the entry of an order granting the 9019 Motion. Thereafter, payments shall be due or deemed due, on the first day of the following month. The Debt Amount as well as all other sums which may be due hereunder or under the Loan Documents shall be due and payable in full on or before August 31, 2023 (the “Maturity Date”)

8. Currentness and Confirmatory Documents. Upon approval of this Agreement by the Bankruptcy Court, the Debtor and Puleos are deemed current on all monetary and non-monetary obligations under the Loan Documents. The Parties may execute additional documents, including a Note or Mortgage modification or assignment of rents, consistent with this Agreement.

9. Assignments of Rents; License. The Debtor and Puleos acknowledge that the Loan Documents create valid and enforceable assignments of rents in favor of the Lender. Notwithstanding Lender's demand for rents from the Puleo Properties, Lender grants the Debtor and the Puleos a license to collect rents while the Puleos and Debtor is not an Event of Default under this Agreement or the Loan Documents as may be modified in connection herewith.

10. Interest Rate and Suspense Funds. The Loan is an interest-only loan. The Debtor shall make monthly payment of the interest accrued on the principal amount. The non-default interest rate pursuant to the Loan Documents and this Agreement is 8%, with non-default interest accruing in the amount of \$1,973.43 per diem. The default rate upon the occurrence of an Event of Default herein is 23% (the "Default Rate"). Lender shall hold in suspense Adequate Protection Payments equal to \$354,000.00. Lender shall apply these funds monthly to pay interest on the Debt Amount either at the non-default rate or, after the occurrence of an Event of Default, at the Default Rate. Upon approval of this Agreement by the Bankruptcy Court, Adequate Protection Payments in excess of \$354,000.00 shall be applied to reduce the principal amount. At such time as these suspense funds have been depleted, Debtor shall be responsible for making all payments due hereunder directly to the loan servicer. The first payment pursuant to this Agreement shall be due ten (10) days after the entry of an order granting the 9019 Motion. Thereafter, payments shall be due or deemed due, on the first day of the following month.

11. Sale Process.

11.1 Sale Requirements. The Debtor and Puleos shall market for sale, individually or in groups as they determine in their business judgment, the Lewisberry Properties and Puleo Properties. The Debtor and Puleos shall only enter into an agreement of sale for a property if the gross sale price for that property, less ordinary and customary costs of sale such as realtor's commissions, transfer taxes and recording costs (the "Net Sale Proceeds") exceeds the "Revised Release Prices" set forth in Schedule A hereto.

11.2 Lender Consent to Free-and-Clear Sales. For a period of one (1) year after the Effective Date, and if the Debtor and Puleos are not in default of this Agreement, Lender consents to the sale of Lewisberry Properties and Puleo Properties free and clear of its lien pursuant to 11 U.S.C. §363(b), (f) if the Net Sale Proceeds exceed the applicable Revised Release Prices set forth in Schedule A hereto and assuming compliance with this Section 11.

11.3 Refinance Requirements. The Debtor or Puleos may refinance the Debt Amount via a loan secured by the Lewisberry Properties and Puleo Properties. If they are not in default, the Debtor and Puleos may refinance part of the Debt Amount via a loan secured by some or all of the Lewisberry Properties and Puleo Properties if the loan proceeds less ordinary and customary costs of refinancing such as broker's fees and loan closing costs

(“Refinance Proceeds”) exceed the “Revised Release Prices” set forth in Schedule A hereto for all properties subject to the refinance.

**11.4 Lender Release of Liens.** Lender shall take all actions necessary to confirm that it will release or satisfy its lien as to any sale or refinance compliant with this Section, and to release or satisfy the lien; provided, however, that Lender shall have no obligation to release any mortgage liens on any properties without prior written approval of the settlement statement relating to each property. Lender shall give its approval of a settlement statement if the Net Sale Proceeds are compliant with this Section.

**11.5 Payoff Statements.** Lender shall provide the Debtor and Puleos with an itemized payoff statement as of a date certain, with a calculation of per diem interest, within five (5) days of a written request. The Puleos and Debtor may request a payoff statement of the amount necessary to satisfy the lien against some or all unsold properties.

**11.6 Distribution of Proceeds.** Until all amounts owed on account of this Agreement are paid in full, all Net Sale Proceeds or Refinance Proceeds pursuant to this Agreement shall be distributed to Lender at the closing of the sale or refinance.

**11.7 Application of Proceeds.** If the Debtor and Puleos are not in default of this Agreement, all Net Sale Proceeds or Refinance Proceeds shall be applied to reduce the principal amount set forth in this Agreement. If the Debtor or Puleos are in default, any Net Sale Proceeds or Refinance Proceeds shall be applied consistent with the Lender’s application of payments clauses in the Loan Documents.

**12. Responsibility for Real Estate Taxes and Insurance.** While the Debtor and Puleos are not in default of this Agreement, Lender shall not demand escrow amounts for past or future charges. At least ten (10) days before the last date they may be paid without penalty, the Debtor or Puleos shall pay all tax installments that are owed on account of the Lewisberry Properties or Puleo Properties. The Debtor or Puleos shall keep the Lewisberry Properties or Puleo Properties insured by an insurance policy compliant with the Loan Documents. The Debtor or Puleos shall provide Lender confirmation of the payment of the tax installments and insurance pursuant to this Section at least ten business (10) days prior to the lapse of the insurance policy or the last date taxes may be paid without penalty. In the event that the Debtor and Puleos do not send timely notification of payment of taxes and/or insurance in the manner set forth herein, then the Lender may, but is not obligated to, advance such taxes and/or insurance payments on behalf of the Debtor and/or the Puleos, and the amount of such payment shall be added to the Debt Amount and due and payable by the Debtor and/or the Puleos as the case may be on the earlier of (a) 10 days after written demand for repayment, or (b) the Maturity Date. Confirmation of payment pursuant to this Section shall be sent to:

13. Dismissal of Proceedings.

13.1 Adversary Proceeding. Upon approval of this Agreement by the Bankruptcy Court, the Adversary Proceeding is dismissed with prejudice.

13.2 Lender's Claims. Upon approval of this Agreement by the Bankruptcy Court, Lender's claims in the Foreclosure Proceeding and Guaranty Proceeding shall be dismissed without prejudice.

13.3 Puleo Claims. Upon approval of this Agreement by the Bankruptcy Court, all claims asserted by the Puleos in the Foreclosure Proceeding shall be dismissed with prejudice. In addition, the Puleos shall withdraw with prejudice the appeal that they filed to the Pennsylvania Superior Court in the Guaranty Proceeding with respect to the order of the Lancaster County Court of Common Pleas overruling the Preliminary Objections filed by the Puleos.

13.4 Lender and Richard Puleo shall take all necessary steps to obtain dismissal of the proceedings pursuant to this Section of the Agreement.

14. Events of Default. The occurrence of any of the following is an Event of Default:

14.1 Unless inconsistent with this Agreement or the Amended Plan, any event that would constitute an Event of Default or a Default under the Loan Documents or any confirmatory documents executed pursuant to this Agreement, including without limitation failure to abide by any of the affirmative covenants or negative covenants set forth in the Loan Agreement.

14.2 Failure to abide by any term of this Agreement, including without limitation for payment of the Debt Amount, as the same may be adjusted

herein, as well as all principal, interest, fees and costs as provided herein or as provided in the Loan Documents on or before the Maturity Date.

15. Deeds-in-Lieu and Uncontested Foreclosures.

15.1 Deeds-in-Lieu. On the Effective Date, the Debtor and Puleos shall prepare and transmit to Lender deeds for each of the Puleo Properties and Lewisberry Properties. Unless the Puleos or Debtor are in default of this Agreement, Lender shall not record these deeds.

15.2 Determination of Fair Value. If Lender elects to record deeds-in-lieu or seek an uncontested judgment for foreclosure, the Parties shall make a good faith effort to fix the amount owed and the value of the Lewisberry Properties and Puleo Properties by agreement. If the Parties cannot agree, Lender shall move to enforce this Section before the Bankruptcy Court and to fix the amount owed pursuant to this Agreement and the fair net market value of the Lewisberry Properties and Puleo Properties pursuant to the legal standard in 42 Pa.C.S.A. §8103 (a “Fair Value Motion”). The Debtor and Puleos have sixty (60) days from the date of the filing of a Fair Value Motion to obtain an appraisal to be presented as evidence in the hearing on the Fair Value Motion. Lender may, at its option, obtain its own appraisal. The Bankruptcy Court shall fix the amount owed and the fair market value of the Lewisberry Properties and Puleo Properties. Lender may then, in its sole discretion, seek judgment in foreclosure pursuant to Section 15.3 of this Agreement or record the deeds-in-lieu or for any Puleo Properties or Lewisberry Properties. Upon the recording of a deed-in-lieu or entry of a foreclosure judgment with respect to a property, Lender shall credit 90% of the value of that property, as determined by the Fair Value Motion, to reduce the Debt Amount. If Lender credits an amount equal to the amount due pursuant to this Agreement, it shall release or satisfy the mortgage as to all properties not taken by deeds-in-lieu or subject to a judgment in foreclosure pursuant to this Section. Nothing herein shall require the Lender to record deeds in lieu of foreclosure or to seek judgment for foreclosure if there is an Event of Default hereunder, and Lender’s options if there is an uncured Event of Default include, but are not limited to, foreclosure on any of the Lewisberry Properties or Puleo Properties or pursuing its rights under the Guaranty. Notwithstanding anything herein, nothing shall preclude Lender from filing a Fair Value Motion to value some or all of the Lewisberry Properties or Puleo Properties if any amount remains owing under this Agreement.

15.3 Uncontested Foreclosure. The Parties agree that upon a default or Event of Default hereunder or under the Loan Documents, Lender has the right, but not the obligation, to foreclose on any of the Lewisberry Properties or Puleo Properties then owned by Lewisberry or the Puleos, and in such event, the amount owed under this Agreement and the values of the properties are preclusively determined by the outcome of a Fair Value Motion for the purposes of this Section. If Lender elects to seek judgment in foreclosure

pursuant to this Section, the Debtor and Puleos waive all defenses to the entry of a foreclosure judgment and consent to the entry of an uncontested judgment in foreclosure consistent with Section 15.2 of this Agreement.

16. Remedies; No Waiver

16.1 If there is an Event of Default, (a) the Default Rate shall go into effect as of said date on the amount then owing hereunder or under the Loan Documents, as the same may be modified in connection herewith, (b) Lender shall have the option, but not the obligation to record any of the Deeds in Lieu, (c) Lender may exercise all of its rights and remedies against the Debtor or the Puleos as set forth in the Loan Documents as the same may be modified in connection herewith, including without limitation, the Note, the Lewisberry Mortgage, the Puleo Mortgage and the Guaranty, and (d) Lender may directly demand and receive rents from the tenants and occupants of the Puleo Properties pursuant to the Puleo Rent Demand and may directly demand and receive rents from tenants and occupants of the Lewisberry Properties, all of the foregoing rights and remedies which may be exercised without bankruptcy court approval and without needing to obtain relief from the automatic stay.

16.2 The remedies provided pursuant to this Agreement are cumulative. The exercise of any remedy by Lender does not constitute waiver of other available remedies.

17. Debtor and Puleos Releases. Upon approval of this Agreement by the Bankruptcy Court, the Debtor and the Puleos, without further action, irrevocably and unconditionally, fully, finally and forever waive, release, acquit and discharge Lender, Peter Meltzer, Esq., Weber Gallagher Simson Stapleton Fires & Newby LLP, Fay Servicing LLC, Roc Capital Holdings LLC, Richard Riddle and Ranajoy Sarkar and their parents, subsidiaries, affiliates, members, directors, officers, managers, employees, attorneys, insurers, agents and successors and assigns, (collectively, the "Releasees") of and from any and all claims obligations, suits, judgments, damages, demands, debts, rights (including without limitation, rights of indemnity, contribution, payment, and reimbursement), liabilities, or causes of action, whether known or unknown, direct or indirect, liquidated or unliquidated, fixed or contingent, asserted or retained, foreseen or unforeseen, matured or unmatured, presently existing in law, equity, statute, or otherwise, including but not limited to, any of the foregoing arising under theories of contract, successor liability, tort, agency, unjust enrichment, alter ego, substantive consolidation, extension, veil piercing, equity and any and all fraudulent conveyance or transfer claims that were or could be brought by the Debtor or Puleos under state, federal or foreign law, including but not limited to any claims that were or could have been asserted against in the Adversary Proceeding, Foreclosure Proceeding or Guaranty Proceeding or any other action or proceeding. For the avoidance of doubt, this Section does not release any Party from any claim arising out of this Agreement or the Amended Plan.

18. Party Representations. Each Party represents and warrants that at the time of execution of this Agreement: (a) such Party and the signatory hereto has the power and authority to execute, deliver and perform this Agreement; (b) such Party has taken all necessary actions to

authorize the execution, delivery and performance of this Agreement ; (c) this Agreement has been duly executed and delivered by such Party and, subject to Bankruptcy Court approval, constitutes the legal, valid, and binding obligations of such Party, enforceable against it in accordance with their respective terms; (d) such Party's execution, delivery, and performance of this Agreement does not and will not conflict with, or constitute a violation or breach of, or constitute a default under any obligation of such Party and will not violate any applicable law, or any order or decree of any court or government instrumentality applicable to such Party; and (e) such Party has entered into this Agreement in reliance on its own independent investigation and analysis of the facts underlying the subject matter of this Agreement, and no representations, warranties, or promises of any kind have been made directly or indirectly to induce it to execute this Agreement other than those that are expressly set forth in this Agreement.

19. Cancellation of Agreement. If the 9019 Motion is not granted, unless the Parties otherwise agree in writing, this Agreement will be null and void as of the date that an order denying the 9019 Motion becomes a final, non-appealable order. In such event each of the Parties will revert to their respective positions that existed on the date immediately prior to execution of this Agreement.

20. No Assignment. Each of the Parties represents and warrants that it has not assigned or transferred any released matter or any right to consideration provided pursuant to this Agreement.

21. No Admission of Liability. This Agreement constitutes a compromise of the Parties' disputes. Nothing contained herein shall in any way constitute or be deemed to be an admission or concession by any Party as to any matter, including with respect to the truth of any fact alleged by the Parties, or the validity of any claim or cause of action that has been or could be asserted in any of the claims that are settled herein. Except in a dispute seeking enforcement of this Agreement, nothing in this Agreement or any of its terms, or any negotiations or proceedings connected with this Agreement, or any documents or statements referred to therein, shall be admissible in evidence against any Party in any litigation, matter, or proceeding between any of the Parties or any other litigation, matter or proceeding involving a Party.

22. Continuing Bankruptcy Court Jurisdiction. The Parties agree that the Bankruptcy Court shall retain exclusive jurisdiction to hear a Fair Value Motion or otherwise enforce this Agreement and the Parties consent to the jurisdiction of the Bankruptcy Court over the enforcement of the provisions of this Agreement and the Amended Plan.

23. Voluntary Agreement. Each Party acknowledges that it has read all the terms of this Agreement, has had an opportunity to consult with counsel of its own choosing or voluntarily waived such right, and enters into this Agreement voluntarily and without duress.

24. Joint Drafting. This Agreement shall be deemed to have been jointly drafted by the Parties, and in construing or interpreting this Agreement, no provision shall be construed or interpreted for or against any Party because such provision or any other provision of the Agreement was purportedly prepared or requested by such Party.

25. Applicable Law. The validity, interpretation and performance of this Agreement shall be construed and interpreted according to the laws of the Commonwealth of Pennsylvania, except to the extent inconsistent with federal law.
